RENTAL RULES

WINDSURF POINT LDA (RULES, SECURITY AND RENTAL CONDITIONS)

ARRIVAL

Every new Windsurf Point client will be asked for a identification card and to fill out the Windsurf Point client form for registration. For rentals Windsurf Point will keep a document that identifies the client (Passport, Driving License or Identity Card). The client receives back the document with return and damage check of the hired equipment. In case of course - or rental reservation the client has to present the confirmation. The client is exclusively responsible for all equipment that is provided by Windsurf Point and can not be used by any others.

RENTALS

For equipment rental the client will be asked to present a document that proves theory and basic knowledge for the practice of this modality. The Windsurf Point LDA also supplies equipment rental for another spot chosen by the client. For taking the equipment outside the Center in Meia-Praia a deposit will be asked from the clients. This will be calculated by means of the spot and duration of rental. Windsurf Point LDA reserves the right to refuse the rental of equipment (especially kitesurf equipment) depending on the weather conditions.

COURSES

During group lessons our instructors are not able to be with every student a 100 % of the course time. During private lessons our instructors are with the students through out the full course time. Wetsuits are free of charge for all lessons.

SECURITY

The Pro-Centre has Lifeguards on the beach and special rescue boats for rescues. Clients hiring equipment should not endanger themselves and others, should be able to swim and respect the International Marine Laws and International Rules of Sport on the water at any time. Life vests are free of charge for all activities. In case the rental conditions are not respected, Windsurf Point LDA is not responsible for any damages or accidents and has the right to cancel the contract without refunding the charge. In case of problems or emergencies the sailor must attract attention with clear visible signs.

WARRANTIES

Windsurf Point lda, does not take any responsibility for weather and wind conditions. No refunds can be made due to this reason.

EQUIPMENT INSURANCE

The client is liable for his/her rental equipment and takes full responsibility for any damages resulting from accidents with third's and loss or bad and careless treatment of any equipment in and outside of the water.

WINDSURFING AND KITESURFING

Windsurf Point lda, offers an insurance against damages of rented windsurf and kitesurf equipment. The insurance only includes damages not resulting from accidents with third's and loss or bad and careless treatment of any equipment in and outside of the water. The insurance is automatically included in the lesson- and rental prices.

PAYMENT MODALITY

Windsurf Point lda, only accepts payments in Euros, as Cash (Euros), Euro Cheques or by Visa or Mastercard credit cards. With reservations the client must pay 25% from the total amount when placing the reservation.
